- I. You are granted a non-exclusive, royalty free, revocable licence solely to view the licensed addressing data (including the link between the address and its location and, where applicable, any underlying co-ordinates) provided via the Find a Property service as a source of information for
 - (a) personal, non-commercial use;

- II. You are not permitted to copy, sub-license, distribute, sell or otherwise make available such data to third parties in any form, save for the making and provision of hard copy prints, pdfs or single screen shots of Find a Property results, in each case for the purpose described in (I) above; and
- III. You are not permitted to use the licensed addressing data (including the link between the address and its location and, where applicable, any underlying co-ordinates) for the purpose of creating or developing any product or service intended for sub-licensing, distribution or sale to third parties (notwithstanding that the addressing data (including the link between the address and its location and, where applicable, any underlying co-ordinates) itself may not actually be supplied as part of such product or service). Therefore if you create any data which has benefited from, relied on or made use of (for instance, by consulting or checking) the addressing data (including the link between the address and its location and, where applicable, any underlying co-ordinates), you are not permitted to sub-license, distribute or sell such data to third parties under the above terms.

If you wish to use the licensed addressing data (including the link between the address and its location and, where applicable, any underlying co-ordinates) provided via the Find a Property service outside the above licence terms and conditions, please contact Ordnance Survey at customerservices@os.uk.
