Change history

This document is issued whenever any changes are made to any ISBN, edition or copyright date. Changes to ISBN will be listed below under the 'Revisions' heading while RMc (reprint with minor change) and RSC (revised with selected change) that carry no ISBN change will be altered within the body of the document. There will only be changes to the date and edition for these titles.

Returns on issue of new editions

Ordnance Survey may, on the issue of a new edition of a product with a new ISBN, accept a return for the previous edition at our discretion up to the quantity of the new product ordered. We will try to give you up to six (6) months notice of new ISBN editions to manage stock sell through.

Distribution

Highlighted entries show new titles and revisions released since 31 October 2011.

This document is for use by Ordnance Survey and its customers. The document, or any part of it, **must not** be supplied or communicated to any other individual or organisation without the prior written permission of the owner.

Edition note for maps only

- 1 Sheet revised – advancement of edition letter, for example, **A** to **B**.
- 2 Sheet revised with significant change – advancement of edition number, for example, **A2** to **A3**.
- 3 Reprint with minor change – inclusion of _ under the edition, for example, **A2** to **A₂**, **A2** to **A₂**, and so on.

Reprint with minor change (rmc) notes for maps only

- 1 A reprint with minor change is carried out in order to replenish map stock prior to a selected change or revised reprint. Minor errors on the map are corrected, but no revision takes place.
- 2 Where a major error needs correcting prior to stock replenishment, and the existing edition is withdrawn from sale, the entry will be marked with a **§** after the edition.
- 3 The ISBN will usually remain the same but in some cases may change if, for example, the title changes. However, the cover photo will always remain the same. These entries will be marked with **Ω** after the edition.
- 4 The copyright date will advance to the year of publication.
