Returns on issue of new editions

Ordnance Survey may, on the issue of a new edition of a product with a new ISBN, accept a return for the previous edition at our discretion up to the quantity of the new product ordered. We will try to give you up to six (6) months notice of new ISBN editions to manage stock sell through.

Distribution

Highlighted entries show new titles and revisions released since 1 June 2009.

This document is for use by Ordnance Survey and its customers. The document, or any part of it, **must not** be supplied or communicated to any other individual or organisation without the prior written permission of the owner.

External distribution is to be coordinated through Ordnance Survey Digital Print Services.

Trademarks

Ordnance Survey, the OS Symbol, Explorer, Landranger and OS are registered trademarks of Ordnance Survey, the national mapping agency of Great Britain.

Edition note for maps only

- 1 Sheet revised – advancement of edition letter, for example, **A** to **B**.
- 2 Sheet revised with significant change – advancement of edition number, for example, **A2** to **A3**.
- 3 Reprint with minor change – inclusion of _ under the edition, for example, **A2** to **A₂**, **A2** to **A₂**, and so on.

Reprint with minor change (rmc) notes for maps only

- 1 A reprint with minor change is carried out in order to replenish map stock prior to a selected change or revised reprint. Minor errors on the map are corrected, but no revision takes place.
- 2 Where a major error needs correcting prior to stock replenishment, and the existing edition is withdrawn from sale, the entry will be marked with a § after the edition.
- 3 The ISBN will usually remain the same but in some cases may change if, for example, the title changes. However, the cover photo will always remain the same. These entries will be marked with Ω after the edition.
- 4 The copyright date will advance to the year of publication.

1 Forthcoming titles

Publication date is the date of publication by Ordnance Survey; maps will normally be available from Ordnance Survey distributors within two weeks of this date.

All publication dates are correct at time of going to press but may be subject to change for reasons beyond our control. (TBC = to be confirmed).

1.1 OS Landranger Map revisions

(1:50 000 scale – 2 cm to 1 km or 1¼ inches to 1 mile)
