

SERVING OUR CITIZENS IN A VIRTUAL STATE

Mr Tan Boon Khai

Chief Executive, Singapore Land Authority

Cambridge Conference 2017

Mapping Nations: The Next Decades

Internet of Things & **People**

Why build a Virtual State?

Imagination X Innovation = Smart Nation

Re-imagining Citizen Services

Evolving From 2D To 3D And Beyond

Collect 3D Data

Develop Services
for Citizens

Collect & Geotag
Admin 2D Data

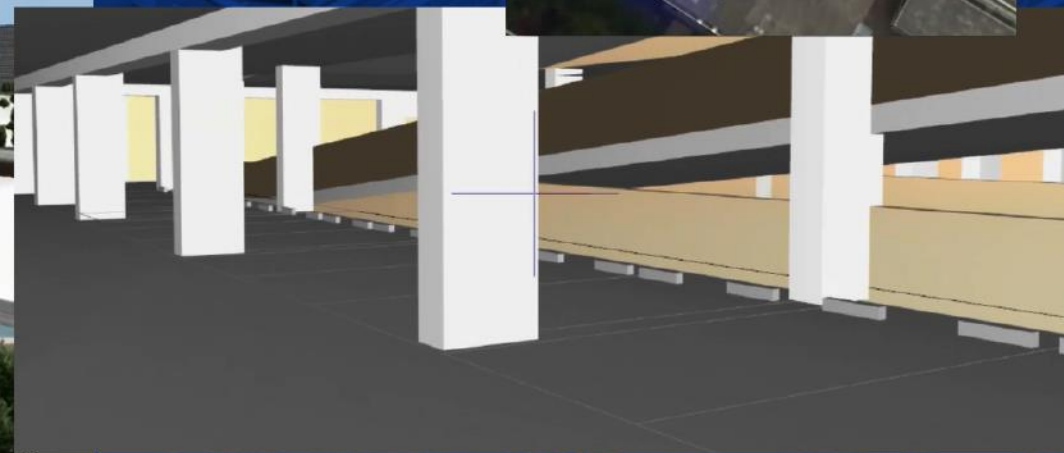

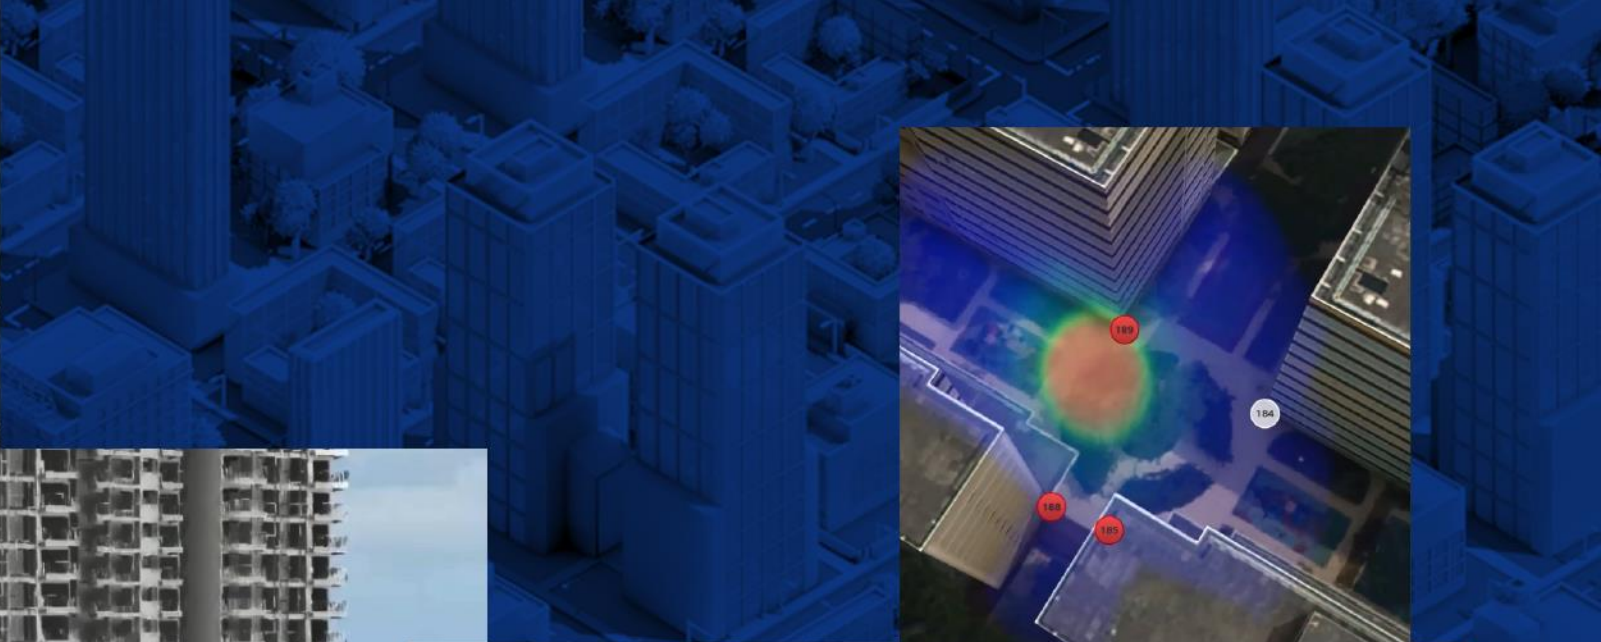

perform Geo-Analytics

Promote Data
Sharing

Experiment
New Tech

Serving Our People **Virtual Singapore**

Enhance Government Service Delivery For Citizens

Empowering People & Building Trust

Brokering Synergies and Successes Through Geospatial Information

Possibilities Reimagined

Thank You
