

ANTI-BRIBERY STATEMENT

Ordnance Survey Limited, Ordnance Survey Leisure Limited and Ordnance Survey International Services Limited (including its overseas branches), the **Ordnance Survey Group**, recognises that bribery undermines free and fair competition between businesses and damages customer and business confidence. We support and adhere to the Bribery Act 2010 and **confirm our ongoing commitment to carrying out our business fairly, honestly, and openly.**

The Ordnance Survey Group, and each of its directors and staff, take a **zero-tolerance approach** to any form of bribery.

This means we will:

- only deal with organisations and individuals that share our commitment to bribery prevention and will terminate any contract with an organisation or individual who breaches contractual provisions relating to bribery prevention;
- review and monitor our policies and procedures to ensure that these support both bribery prevention and the safe and confidential disclosure of bribery allegations;
- take disciplinary action against any member of staff who actively or knowingly engages in bribery.
