

OS Terrain 50

Release Note

July 2020

Introduction

This release note provides information about the July release of OS Terrain 50. This product was released to customers on **July 15th 2020**.

1. OS Terrain 50

OS Terrain 50 is a 50m Digital Terrain Model and contour product for the whole of Great Britain.

2. Known Discrepancies

There are at times a small number of errors that may be present in the COU and consequently the updated full release. These problems are transient and the application of normal Change Only Updates (COU) will remove them in future releases.
