Dear Customer

Changes to the Framework Contract (Direct Customers) – Points of Interest Data Contract

You are currently licensed directly by Ordnance Survey under the Framework Contract (Direct Customers) (the Framework) to use licensed data for your licensed use pursuant to one or more data contract(s). Terms defined in the Framework shall have the same meanings when used in this letter.

I am pleased to announce that we will be updating the Points of Interest Data Contract to enable the licensing of data which comprises solely Vocalink Data with effect from 1 October 2014:-

Notice of amendment to the Framework

In accordance with Clause 8.1 (Variation) of the Framework (subject to below), this letter gives you written notice that with effect from 1 October 2014 the Data Contract will read as set out in the document shown at the link below:-

<http://www.ordnancesurvey.co.uk/docs/order-forms/points-of-interest-order-form-effective-01-october-2014.pdf>

Miscellaneous

We trust that, as the amendments set out above in this letter in the paragraph headed 'Notice of amendment to the Framework' are minor in nature and/or are favourable to you and/or not detrimental to you, you will not object to them being introduced without the 90 day notice period you are normally entitled to receive under Clause 8.1 (Variation) of the Framework.

If you have any queries, please do not hesitate to contact your account manager or our Business Enquiries team on +44 (0) 03453 757535, who will be pleased to help you.

Yours faithfully

Caroline Bullock

Points of Interest Product Manager

We are proud to be holders of the Information Fair Trader Scheme, Investor in People and Disability Symbol accreditations.
