

# How do I plan my route to school?

## Steps

- Select the 'Pencil' icon to view the drawing tools ✓
- Select 'Line' ✓
- Adjust your line settings by selecting the line colour and thickness ✓
- DOUBLE Click on your map to START your journey ✓
- Every time you want to change direction LEFT CLICK the mouse ✓

## Hot Tip

- Want to impress your teacher? Try measuring your journey to school by...
- 1- SELECTING on the Pencil to open the drawing tools menu
  - 2- SELECT MEASURE and choose whether you want your journey in km (Metric) or miles (Imperial)
